“ Sally. I don't know if you remember me or not. My name is Sharon and I lived in Newportville with my grandparents, Gene and Kathryn Spong. We were best friends in grade school. I always thought your mom was the most beautiful woman in the world. And your dad always gave me the biggest hugs on his return trips from driving truck. I loved your family. I'm very sorry to hear of your precious mothers passing. I hope you see this message. I will never forget you or your family and our childhood memories. Take care and God bless you.
