“ I didn't know Shannon that long, but in the short time I knew her, she was always upbeat and positive. She was a kind and caring person. Even with what she was going through, she kept positive thoughts and didn't want others to worry. I pray for her entire family, especially her children to get through this difficult time. She is with God now and at eternal rest and peace. God bless you all.

“ Shannon was my counselor at Maryville. While I was there, she went above and beyond to show me what steps I should take to achieve long term sobriety. Her 1 request was that I call and check in with her. She was shocked to hear from me when I did call her and for the past 3yrs, I would call and check in to tell her all about my sobriety. She helped save my life. I now have over 3yrs sober and she was my biggest fan. I love you Shannon and I am so sorry to her family for their loss.
