“ *I have fond memories of Shirley Foster coming into my luncheonette years ago and ordering Split Pea soup when she told me what day to make it . She always said it's made the right way if it's thick enough to stand a spoon up in it ! Sometimes Earl would be with her too sitting at the counter and always smiling may they both rest in Peace ! My heart goes out to her daughter Lois and my brother Jack , Jackie and her Husband Harry , and John , Paige and Gianni as well as the rest of The Foster Family . May they all find comfort knowing Shirley and Earl are together in heaven . You are all in my thoughts and prayers!*
