“ I worked side by side with Stella in the Carleton office. First as a co-worker and then as someone who had some big shoes to fill when she retired. I learned a lot from Stella and not just about the 'school' but about life. She was a genuine person, a kind and thoughtful person and pleasure to work with. She spoke lovingly of her family often, especially of Bob and Michael. What an angel on earth she was.

“ I knew Stella first as my father's secretary and then as a Board member of my agency, Salem County Women's Services. She was a lovely, kind, thoughtful and generous person. I truly think she was one of the nicest people God ever created. May her memory comfort all who loved her. Rest in peace.
