“ Where do I start. I met Steven in 1978 when I started dating his brother David. We married in 1983 and Steve was my brother in law for 20years. Even though things didn't work out for my marriage I still thought of him as my brother. Now Dave and I are back together, but the family will never be the same. God Speed Steven till we meet again. Love you always. David Margaret Brian Brett and Brad . God bless Carol and Michael and Mary Stanton for all there love 🧡❤️🙏

“ I have known Carol forever, as we grew up in the same neighborhood, and my brother, Jack, married her sister, Patty. I didn't know Steven well, but I could tell they had a great relationship. The past few years I would see them at DiPaolo's when my granddaughter and her band performed there. Carol and Steven took over the dance floor, and we loved watching them dance together. They didn't miss a step :) To Carol and the boys, keep your memories close to your heart, and know that Steven is never far away. His beautiful spirit will live on in you all.
