“ *Sue was an awesome lady who always made us laugh not only at the dentist office but at our home. Her and my mom would share stories and just laugh. I think Sue liked the story about Ray having dinner at our home and he kept putting his elbows on the dinner table until my mom stabbed him with a fork! Sue just laughed! She will be missed and my deepest sympathy and prayers go out to the family, especially Ray. She's up there keeping an eye on you! RIP Sue..... love to you.*
