I'll always remember my aunt spaghetti sauce and how she would always put a whole onion in the sauce! Sleepovers like every weekend. The pocono trip she took me on. I sat in between Justin and Josh and she would always say, "look a rose between two thorns!" She would always have a fridge in the garage of ice cream! I love you aunt suzie. You left me with so many great childhood memories that I'll cherish forever. Give gramps n Alicia lots of love from all of us.
