“ I didnt know your son, but my son Dale thought the world of him, his heart is broken over this loss of a beautiful life. God is a 'big' God, this is in his hands. The Bible says, 'his ways our not our ways, and his thoughts are not our thoughts'. I never met you Mrs Bennett, Dale is my only child, my heart has been breaking since i heard this, if you need anything, and i mean anything, even a hug, or someone to just sit with you, and just spend time, please do not hesitate, to contact me, and i will be there for you in a heart beat. WE dont know each other, but i care deeply that you hurt over losing your precious son. I will continue to pray that God will heal your broken heart, and fill you with his peace, the kind of peace we dont understand, the kind of peace only a loving father can give. Dale also sends his sympathies, please cntact me, if you need something. God Bless you Dorothy. ~Marlene Pye~###imported-begin##Marlene Pye##imported-end##
