

Tina Patrick Sheppard

April 14, 2023

We can't believe we are saying goodbye to such a beautiful soul. Born on December 17th 1974 she was the best Christmas gift her family got that year. Tina graduated Pennsville High School and we don't know who was more excited, her or her parents. She is survived by her daughter Victoria who was her world. The two went on many adventures together and shared a love of take-out, their dog Eden, and their iPhones. We have fond memories of their 'fight club', vacations, spending work breaks together, and the list goes on.

Tina's interests were vast and varied. President of the Anti-social Social Club, Leslie Jordan's biggest fan (she had a tattoo done of where he signed her arm), a true country music fan - especially Willie Nelson, and was always up for a road trip.

She had many skills but cooking was not one of them. Instead of slaving away in the kitchen like some kind of domestic goddess, she preferred to eat at her parents while living her best life. She was a rebel, a trailblazer, and a true inspiration to those who refuse to be tied down by societal expectations.

She was the kind of daughter who saw her parents every day just to check in, and never forgot their birthdays or special occasions. And let's not forget her coffee runs with her dad. They may not have gone to the fancy artisanal coffee shops, but they had their favorite spots for cheap and reliable coffee.

On the weekends you could find her running errands with her Mom and most likely complaining because she wouldn't drive the speed limit. They took countless vacations together and just got back from a trip to Nashville.

Tina was not only Victoria's best friend but also spoiled her nephews and took great pride in being the cool, fun adult in their lives. She was her nephews' biggest cheerleader and secret keeper. She may not have known how to cook, but she knew all about TikTok and loved watching Ridiculousness and Impractical Jokers with them.

She was loved by her brother and sister who look forward to the day they will 'see her in church.'

Sadly Tina suffered a massive stroke on April 4th and passed away peacefully on April 14th.

She will be dearly missed and is survived by her daughter Victoria, parents Barbara (DiSantis) and Wayne Patrick, her sister Amy (Blane) Danley and her brother Jeffrey (Allen) Patrick, and her nephews Maxx and Ryan, as well as her aunts, uncles, and cousins.

Tina was a phlebotomist and worked for Labcorp in Pennsville at the time of her passing.

“ So sadden to hear about Tina’s passing. I trained Tina @ Labcorp and upon my training she was hired. Tina was very knowledgeable about everything. I had a Nick name I called her Shake n bake. Her and I made a joke about her situation. I had soo much patience with her that we became great friends. Tina was a court clerk and knew about the laws of this land. I learned soo much from her as well. Our last work together was in Marlton. I was soo happy to see her and that’s when she told me she wasn’t going to float anymore. To her daughter Victoria, she always talked about you and the room lit up with sunshine 🌞 as well as her nephews. To the rest of her family, please know she was such a joy to work with from my student to mastering her phlebotomy craft. God’s Many blessings to you all. Energy is never lost it’s past on to a different dimension. 🙏🙏🙏. Love :Terri-Lynn. Friend and Co-worker.

“ Tina was a good Co worker when we were Labcorp's floats together in our Woodstown, Pennsville, and Swedesboro areas.... Years later, I became her Team Lead and Tina was still as enjoyable to work with, and a Worker she definitely was.... Though or was a month ago, I'm glad I was able to talk and laugh with her, not expecting that to be the last time.... she will be missed but God knows all..I pray for her family friends Co workers and all that knew her...

I also worked with Tina at LabCorp, along side her and then as her teamlead. Tina would often come and talk to me and confide in me for advice or just when she needed to talk. I will never forget her. She was a sweet person.

I pray for her family's strength at this time, especially her daughter.

“ *Barbara, Wayne, and Victoria: I was so very saddened to hear of Tina's passing! I have many fond memories of her spending time with Julie at our house. There is one particular memory that we still talk about from time to time. It was a Sunday afternoon and I was taking a nap, so Bill was in charge! Tina and Julie decided they wanted to make Play-doh from scratch! When I woke up there was Play-doh everywhere!! I was still finding Play-doh when we moved out of the house many years later! Fun memories!! I will remember her always as a delightful, fun friend!*
