“ *Tommie was the craziest, loving, funniest person. She was always willing to help out whenever needed at work. If she knew you were having a bad day, she found a way to make you laugh. Tommie was one of the best workers I have come to know at Cardinal Health. I am going to miss her sarcastic self. The Heavens gained another Angel. Going to miss you Tommie. Rest In Peace.* ”

We were very close friends, I was friends w Tommie sue in High School, but I saw her in k-mart when lil Richard was 3 and we became best friends, taking the kids everywhere, she loved spending time with Richard, so she saw that I had owed/open I had a day care and then showed her how to open one and be at home, nothing made her happier at that time as being home for her children as well as liking the job, she was great at it. Anyway Tommie knows how much she means to me and other family members and friends.R.I.P. Tommie Sue <3 I have so many memories! XOXOXO
