“ Oh, Brother

*I miss you with all my heart and soul. I have waited to put my thoughts in writing because it is still so painfull. I have finally realized that this pain will be with me until I am with you. Sis and I talk all the time and you are alive with us both, we keep you in our hearts and thoughts and that is where you live everyday. The sun rises on your ashes as you wished. I say good morning evey morning and good night every night. I pray that the Lord allows you to hear me now and always. I love you, Sister Billie##imported-begin##Billie Killian Joseph##imported-end##*
