“ I am so sorry for your loss. Vickie and I spent a lot of time together in elementary school and Girl Scouts. Reading of her death brought back a lot of memories of those days back in Penns Grove. In fact, I have a few pictures of those days that I would love to share with you if you would like.##imported-begin##Patty Cooper Gaither##imported-end##

“ Dearest Vickie,
You were loved by so many and especially by me and my children. We want you to know that you will always be in our hearts forever. We will always remember the fun times we had with you going to the Beach in the summers, taking the kids to the Italian Festival and just always being the best Aunt to them that you could be. I am just sorry Emily will never be able to experience the love you had for all your nieces and nephews, not just Woodie and Lauren. But I will tell her all about you as she grows and make sure she knows that even though she was young when you passed, that you loved her and always thought of her and how special she was to you. I miss you every day Vickie and I always will. I hope you are happy now with the rest of your family in heaven. Watch over us, keep us safe and know we love you.##imported-begin##Michele Jalbert##imported-end##

“ Dear Cuz,

I just can't believe that you are not with us anymore. I will always remember all the good times we shared as kids and young adults. Tell Mom, Aunt Bette, Gram and Tom "hello". Keep 'em all straight!

You were the sister that I never had and I'll always cherish the times we spent together.

Love, your Cuz, Patty Jo##imported-begin##Patty Jo Higgins##imported-end##
