

Virginia "Ginny" Fowkes

March 8, 2024

It is with great sadness and a very heavy heart that we announce the passing of Virginia "Ginny" M. Fowkes, 62, of Carneys Point, a cherished member of our family and community, on the morning of March 8th at Inspira Medical Center in Mullica Hill, NJ.

Virginia, or Ginny, was born on July 15th, 1961 in Salem Memorial Hospital, Mannington, NJ and was lovingly raised by her mother Mary, and father Spencer "Mac" MacIntyre. Growing up in Penns Grove, she would work hard as a farmhand picking produce when she wasn't working on her schooling. She married her 1st husband in 1977 at age 16 but that young love did not last. However, that union gave her what she would always refer to as her greatest accomplishment, her 2 boys. She soon met what was to become her motivation, her partner, her teammate, and her 2nd husband. Determined to build a better life, she returned to school, received her GED and even continued on to college. Her diligence and hard work earned her a nursing degree, of which she was incredibly proud, and she became the first in her family to graduate from college. Known for her fierce loyalty and sincere love shown to her family and friends, Ginny will forever be remembered as a fun-loving, funny, delightful, loyal friend, a beloved daughter, sister and the most amazing mother.

She is survived by her son B.J. and his daughter Danielle, son David and his

wife Randi, their children D.J. and Kyra, her stepdaughters Shanna and Casey, and her stepson, Steve, her beloved parents, Mary and Spencer, her brothers Artie, Larry, and Spencer, and her sister, Tammie, and predeceased by husband Billy, husband Steve, and her sister, Sherri. Ginny was not only a loving wife, mother, daughter, sister, and Mom Mom but a caring, quick-witted, funny, and fun friend. Her beautiful smile, witty sense of humor, combined with her depth and compassion are just some of the reasons why she has left an undeniable mark on anyone she knew.

The family will be hosting a celebration of Ginny's life on Saturday, April 6th from 2 pm to 7 pm at 11 S. Cedarwood Ave, Carneys Point, NJ 08069. All who knew Ginny are welcome to attend and celebrate her life.

“ *Aunt Ginny,
Was fun, easy to get along with. Brought smiles wherever she went. There was a strength about her- that you wouldn't want to mess with her or that you could lean on her and she would get you through. She is my Aunt through my Uncle Billy. It says volumes of how much she us family as she was still family after he passed and she brought Steve into our lives. He was folded into our family as well. I know she is in peace and with all her love is complete.*

“ *Our sincere condolences to Mr. and Mrs. MacIntyre and family. Ginny married my cousin Steve and kept him smiling like a teenager in love. She was one of the most effervescent people I've ever met. At the family picnics, the real fun didn't start 'til Ginny and her sense of humor arrived. Our whole family loved Ginny because she had this ability to make everyone feel not only welcome, but special. She should have been an entertainer. My mom loved her. People talk about people being special, but Ginny really was and we'll always miss her and remember her with love.*

“ I want everyone to know that she loved deeply! I can’t tell you how many conversations we had about family! Those boys.....her love . Her mom and dad were in most conversations we had.....she so loved them! And the grandkids.....she was so proud of them. Family was everything to her....and I am so grateful that I was able to be part of her everything.

“ Was shocked to hear of her passing. We all hung out at the Fredo house on Pine Street years ago. She was a friendly, funny friend. I'm sure she will be missed by all her friends and family.

“ I can't begin to share the zillions of memories! We had sooo many great times, great talks, great laughs, great cries and much, much more. My days at the beach will never be the same without her! If anyone was ever looking for Ginny and couldn't find her, just come to my porch! She was an example of someone that took advantage of life changing offers and made the most of them. She was kind, caring and funny! I always said she should take it on the road! 😂. She was a dear friend....and I will surely miss her! Love ya Gin! ❤️

“ We will always cherish the memories of the family picnics for just about every occasion. It was a time for games and many laughs but one memory of Ginny I will always remember is her joke of the farmer and his wife. Ginny never missed a beat year after year. She truly will be missed by her family. Love, Gus & Fran Swan
