“ I worked with Walt for many years at Paulsboro Packaging Inc. and was always amazed at his dedication to the job despite his difficulties with walking about due to some problem with his hips or what not. Walt never complained and always tried to do a good job. He was very friendly and always had a smile for his co-workers. 'Tis a shame that recently retiring he could not have enjoyed more time. Condolences to family and friends. May you be at peace.

“ I am a former High School classmate of Walt at St. James High School. Walt and I were not close friends during high school however, in the Spartan spirit we were friendly to each other. We played on crab soccer teams together and participated in the stage crew together. I remember Walt as a quiet person with a great sense of humor once you got to know him. It is with great sorrow that I learned of his passing so early. I extend my sincere sympathy and prayers to his family and close friends in the spirit of a Spartan. Rest with God, Walt
