“ I just wanted to say how very sorry I am to hear of your Mother's passing. She always remembered me and would ask about my parents and children. She had a smile every time I saw her. Our prayers and sympathy to you all.

Sherri, I just want to let you know how many times I hear her say what a great Mother you were to your 2 boys, especially the problem with Andrew;s allergy.

My family and I loved have AUNT WANDA here for the weekend. The grands all looked forward to visiting with her.

“ Buddy, Tommy, Bernie, Jane & Family,
Aunt Wanda IS a great lady. She always made me laugh and always had a story to tell. I could probably tell a couple. Whether it was babysitting Uncle Richie while rollerskating or speaking of her father who always went easy on her when she got in trouble. She loved her family, grandchildren and great grandchildren. She talked of you all, all the time and I feel I know each one of you. My children, Jack, Alec and Jamie, loved her so much. They loved to go see Aunt Wanda and go in her house. They loved that she always had candy and LOTS OF IT! My Jamie went to lunch with her on the 12th of November and of course she came home with lots of Aunt Wanda candy! They loved going upstairs to see everthing she had. It is going to be so sad not to do it anymore, but to have the special memories of when we did, we will cherish always. We love you Aunt Wanda and a piece of our hearts are with you now.

Love,

“ Buddy, Tom, Berni, & Jane,

I am so saddened by the loss of Aunt Wanda. She has been through so much, to end her life this way was such a shock. What I remember the most, is how when she came to visit, usually at Dorothy's, she always had a handful of \$5 bills and would hand one out to each of the kids that were there. She is going to be dearly missed. Love,
