“ Uncle Warren there are so memories that we have of you. You were always our rock. In Sad or Happy time you always got every one laughing. You said you are to celebrate a person life when you lose them. You cry first and than you laugh. My last great memories with you, is when you, and Linda came to have lunch with us. Great day. You told stories of you, my Dad, Uncle Richard, Uncle Charles and Uncle James growing up. You had us laughing so much. I know in my heart you are happy now. You are with your brothers. You have miss them so much. You are loved by us all. We will miss you so much. But we will cherish our memories for life. May you rest in Peace Uncle Warren, Love, Lonny & Kenny.

“ *I have so many memories of Warren...he was at our house more than his when we were kids. Always a best friend and somebody that you could depend on. First time I ever had shrimp was with Warren. We would ride for hours just doing nothing or looking for the Jersey Devil...so many years ago. Warren you will always hold a special place in my heart....I will always cherish those good old days spent with you. My heart is sad! Prays, love and hugs to your family.*

“ *my deepest condolences to the family. Warren was so much an Uncle to me he's been in my life since I was 4 yrs old, my shrimp eating partner {Deb where are the tails} and roller coaster partner. I'd sit on his knee when we piled into the pickup with my Grandparents to go visit and he'd sing me all these old song {Ole Dan Tucker} or he'd make some up putting my name in there. All the family vacations, holidays {Warren got the drum stick} and summer with his "I'm gettin' a bag of bones" {spare ribs} I can remember his 1st pair of sneakers he got on a family vacation to Kings Island Ohio and he called them his strutters and proceeded to "strut" around the parking lot. He was a very generous person, and so much a part of my life and childhood and he will be extremely missed! Love you Warren! Debby {Kubat} Gentile*
