

## Wayne Swope

January 9, 2026

Wayne Swope, 68, of Pedricktown, NJ, passed away on January 9, 2026. Born in Philadelphia, he was the cherished son of Howard and Kathrine Swope.

Wayne dedicated 35 years of his career to PSE&G, where he served as a maintenance supervisor before retiring. He had a profound passion for boating and cars, frequently attending car and boat shows in Baltimore and Miami, which brought him great joy.

Despite his love for these hobbies, Wayne preferred the comforts of home. He enjoyed spending time working on projects around the house and watching movies in his leisure.

He is survived by his son, Kris, and his wife, Alyssa, and in addition to his parents, a brother, Gerald Swope, predeceased him.

Services will be private and held at the convenience of the family. Condolences can be shared at [adamsfuneralhome.org](http://adamsfuneralhome.org).

“ Wayne was a dear friend of mine. He was one of the individuals I could depend upon to do an assignment and get it right every time. I shall never forget a telephone call from him when someone with the same first and last name as mine died. When I answered the phone he said, "That answers that." and we laughed and spoke. I would go by his place in Wildwood whenever I was in the area. However, for the past few years I couldn't get in touch with him. Miss you my brother in Christ. Condolences to your family. Shalom

“ My memories of Wayne will live on in my mind. He was a unique character, a blend of a gruff exterior but to those of us who knew him well, this was at times, an act. I always knew that despite how he presented himself, he was a kind, considerate man who would do anything to help you out. I will miss his frequent phone conversations, his visits when I would come to West Wildwood and his Christmas card (which always arrived in late January). He gave me and my whole family a lot of memories and stories which will live on well past his life an earth. May God Bless you Wayne and I will surely miss you.
