Wendy was a Believer, living a life of love and working at being her best self !!! She enjoyed sharing her handiwork which included pillows , blankets , shoulder wraps and Diamond paintings !!!! She entered some of her photographs in the Salem County Fair and was awarded a First Prize as well as other prizes . She was called upon and made 'one of a kind' Baby Blankets by parents !!!! She rarely said 'No' to any request for her handwork !!!! She rests in peace in the arms of her Savior and Lord, Jesus Christ !! God rest her soul now and forever!

“ Wendy ☆☆☆ was my best friend for 44 years and when we were little you used to come over my house all the time and swim in the pool. And when we were in elementary school and middle school we were always in the same class room because both of our last names started with S. We went to camp Lebanon with the First Baptist church in Salem N.J as kids and had a fun time. And we always went to vbs during the summer at First Baptist youth group in Salem and we had so much fun. We even got Baptized the same day together and received our very own nice Bible from the First Baptist church. And as teenagers we always hung out at your house and would walk down in the corner store and get candies. And as a young adult we hung out together and went shopping and always talked to each other almost every day we would talk when they kids were in bed and we had time to chit chat. And you got married to Barney and had Chris and we would stop over each others house from time to time we lived like 3 streets over from each other in Carney point n.j and we talked on the phone all the time. Even till your passing We talked on the phone. Wendy is my best friend for forever and you will be greatly missed you no longer sad or in pain from being sick. I love you Wendy and I miss you so much and not being able to talk to you almost every night on the phone and see how each other is doing breaks my heart that I can't call you anymore. My dear friend Wendy I will see you when I get to heaven You're my best friend forever girl and I love ya and miss you very much Your best friend Joanie Crosby aka Joanie Sharp ☆☆☆ p.s I'll always make sure for you that Chris is o.k I know how much you loved your Son. I'm here for you Wendy till we meet in heaven Love Ya Joanie
