“ 4Uncle Dave, Uncle Harry, Mom, and Aunt Dot,
My family would like to give you our heartfelt sympathy on the passing of your beautiful Mom. We are so sorry for your loss and we want all of you to know that you are in our thoughts and in our hearts. Losing Grandmom has touched each and everyone of us. My Grandmom was so "very special and important to me" and my family. I feel a void in my heart right now and I miss her so very much. I know she is now our "special Angel up in heaven" watching over all of us. Grandmom if you can hear me I would like to tell you...how much I love you and miss you and you will always be in my heart...how I would love to hear your voice, see your smile, kiss your cheek, and look into your eyes and how they would light up when we talked. Thank you for being an important part of my life as a little girl into a grown woman. We Love You and Miss You. Lovingly, Michele, Butch, and Nicole###imported-begin###Michele , Butch, Nicole Zappacosta###imported-end##

“ Dear Dot and extended Boyer family,

My heartfelt sympathies in the passing of your mother. Although our loved ones are not with us in body we carry them in our hearts forever. Your mom was a special lady and I have a lot of happy memories of her when she lived in Woodbury and all the camping trips she helped out with when we were in Girl Scouts. May you all be granted peace and healing.
Love,
Jeananne and family###imported-begin###Jeananne (Richman) Hummel###imported-end##
