“ I am saddened by the loss of this young man, my dear Friend Heide’s son. It is unatural for a child to leave this earth before their parent(s). Words are NEVER enough, but that is all we, the friends have- to express how sorry we are. In the beginning , many show up, call , express etc. It is later -that loved ones in mourning need us the most. There is no “Time heals pain” there is no expiration on mourning, time puts a bandaid on a never ending wound - because the ones left here , who are missing their loved one, are alive and have to go on-sometimes for their older parents, sibilings, children .. they must continue. Let us never forget that Heide, Dave, Anthony & his family, Raven, and Bills children are going to need support - longer than we realize. Heide & Family ,i love you all and i wish i could take away your pain , may God comfort you all during this MOST difficult time. 🙏❤️🙏❤️🙏
