“ *In Memory of Uncle Bill Hart*

Uncle Bill Hart was a gentleman. He was patient, kind and gentle. That is how I will remember him.

He and my Aunt Kay used to host holiday parties when we were children. My sisters and I always thought the parties were SO fancy. I remember he was always helpful to my aunt was kind and welcoming to us. When we grew up and started hosting the parties we were glad they could come share the holidays with us.

When Uncle Bill and Aunt Kay were “Snow Birds” we visited them in Florida. He was always the same kind, gentle, and welcoming.

He liked watching Dancing with the Stars, and even came to my daughter Emily’s Dance recital.

When Emily was 7 yrs old she officially named our guest room the “Bill Hart Room” after they visited. That was 13 years ago and we still call it that. Lol Once when they visited New Jersey Uncle Bill helped me plant a Lilac bush. The variety blooms late ironically it is blooming right now. It’s a beautiful tree. It will always remind me of him.

In Loving Memory,

Your Niece , Kelly

Nephew, Richard and Great-niece, Emily
