

William Marshal Hill

November 26, 2025

William Marshal Hill passed peacefully on November 26, 2025. Bill Hill was born in Wilmington, DE on January 23, 1944 and was a proud, lifelong Salem County resident. He graduated Salem High School in 1962 and joined the U.S. Army in 1964. Bill was also a volunteer firefighter with the Washington Fire Company in Salem, NJ. In 2006, he retired from Covanta Energy Plant in Chester, PA.

He was predeceased by his parents Marshal and Margaret Hill. His children survive him, Andrew (Noelle), Eric, and Angelic (Wilfredo). Six grandchildren and one great-grandchild. Siblings Mary Suzanne Shimp and Robert Hill.

Bill enjoyed collecting tools both old and new. He was great at making repairs and starting new projects. He also enjoyed driving down to the Jersey Shore. Each summer, he looked forward to staying in Stone Harbor, relaxing in his beach chair then walking up town to get a big cup of ice cream.

Bill will be best known for his incredible work ethic and determination, or as some would lovingly call him, “hardheaded Bill Hill”.

A small gathering for family and friends will be held at Liberty Fire Company, 75 5th Street, Salem, NJ at 1 pm on December 7, 2025.

“ I remember when he would pick me up for school and we would spend summers together getting mail and going to the Amish market, always making sure to get us chocolate covered strawberries.
