“ Billy lived "down" the road. He was a wild and happy kid. He drove a really cool car and there were many fun times as teenagers. I was close friends with his sister, Naomi . After his marriage to Louise he lived just a few houses away from my parents. I was one of the younger kids in the gang, . but Billy was a big part of our growing up around Iona Lake. My sincere sympathies to his wife and family. I know he will be missed.
