“ *This is so surreal that I just thought of this beautiful woman! I thought one day I would look for her. I was the Godmother to her son. I believe I was only 14 yrs old. I have all these memories of growing up in Penns Grove and all the people in life that are no longer here. Bill's mother was my Aunt Bertie not by blood but by family. My sincere sympathy to Bill and family. May God give you peace.*
